Characters

WHICH GNOCCHI ARE YOU?

Léa Hipster - For coolest friends **REF : HIPSTER**

Being a lover of vintage, alternative and independent life, Léa Hipster adores Tom Waits and Bob Dylan. She is addicted to social networks and she is the best partner for the coolest friends.

Lola Lunática - To get to the moon **REF : LOLA**

Lola Lunática is strong, determined and firm. She never doubts about her dreams or her objectives in life. Whatever she decides to do, she is able to carry it out: once, she made up a cardboard rocket and reached the moon. Since then, she comes back to the Earth every time someone needs her: ask her for help if you are chasing the stars, too.

Giovanni Senza Glutine - Coeliac Superhero **REF : GIOVANNI**

Giovanni Senza Glutine is a chef in Venecia. Being absolutely fed up of celiac children and adults who got ill eating pizza and pasta, one day he started a worldwide strike against flour. After that, he created a factory of gluten free products and started to send them to everyone suffering from Celiac disease who cannot find gluten free products in their cities. Since then, Giovanni Senza Glutine is the coeliacs' superhero.

Mr Kalulu - Positif energy **REF : KALULU**

Mr. Kalulu has magical feet and is the king of dance. He is able to draw rhythm even out of the double hard guys in the disco. He has a special vitamin that he instills you in the rainy days. Storms make him lose his feet and he passes on his will for dancing.

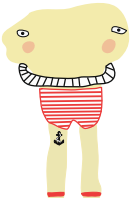

Chaparrita Flores - Magic power against sadness
REF : CHAPARRITA

Chaparrita Flores has wings to fly. She spends the full day painting. She is as long-suffering as strong and she believes in love. She is our flower-power: she transmits creativity, charm and color. Nothing, nothing, nothing can hurt you if she is next to you.

Mr Liverpool - Catchdreamer **REF : LIVERPOOL**

Mr Liverpool dreams of a better world living life in peace. He spends his time writing songs and he hangs flower wreaths around his neck. If you have a dream to come true. Mr Liverpool has a special power that will make it happen.

Mr Boya - To start again **REF : BOYA**

Mr Boya received an email from his ex telling him that he was going with another guy. Being subject of a fit of fury, he packed his bags and travelled to an idyllic beach far away from anything which could remind of him. Since then, Mr Boya is a happy man who serves daiquiris and makes laughs sarcastically of everyone meeting in the city. Mr. Boya will never change the sea for anything in the world.

Mara Plath - For highly sensitive people **REF : PLATH**

Mara Plath is a poet and she drinks the books. Daisies are her favorite flowers. Being hopelessly romantic, she talks to her red fish in the night. She believes in the power of words, she is all the time looking for poetry and she is hypersensitive. She gets on well with the most solitary people.

Punky Smith - For the most intrepid friends **REF : SMITH**

Being quite uncommon, independent and nihilist, Punky Smith is also daring and brave. She runs away from tenets and fashion. She is left-handed and plays the guitar in the best dives. If you are different, then you are a Punky Smith too.

Pepito Heroico - Superhero for those suffering from chronic routine **REF : PEPITO**

Pepito Heroico fears nothing. Once, he opened a sardine can. A huge fume which made him invincible and gave him the power to transform routine into blast-funny days came out of it.
